Studio B is a new photography studio designed to be flexible and reliable for projects that don't require a large studio. Clean, modern and comfortable, this self-contained, intimate scale studio creates a comfortable atmosphere where client and photographer can best create.

The studio's shooting floor is 440 square feet with an additional 200 square feet dedicated to storage and dressing areas. The ceiling height is 10'6"

Studio B is ideally suited for fashion, portrait and product photography. The light filled studio has three large north facing windows as well as quadruple south facing glass doors and some western window exposure.

The floor of the studio is grey Flor carpet tiles which can be easily moved or removed as necessary. Conveniently located 3/4-mile west of Downtown Decatur, a base for many artists, designers and photographers. Only 3 miles east of downtown Atlanta, the studio is just off DeKalb or Ponce de Leon Avenues with easy access to Hartsfield Jackson airport and MARTA.
